INGREDIENTS

Calcium Carbonate, Magnesium Oxide, Salt, Molasses Products, Calcium Phosphate, Vegetable Oil with Tertiary Butyl Hydroquinone (a preservative), Sodium Selenite, Iron Oxide, Copper Sulfate, Vitamin A Acetate, Vitamin D-3 Supplement, Selenium Yeast, Vitamin E Supplement, Ethylenediamine Dihydriodide, Zinc Oxide, Zinc Sulfate, Manganous Oxide, Manganese Sulfate, Ferrous Sulfate, Cobalt Carbonate, Calcium Iodate.

FEEDING DIRECTIONS:

Free-Choice Feeding to Beef Cattle:

Feed free-choice when cattle are on lush grass or small grain pastures. Do not feed any additional mineral or salt. Mature cows should consume 150 g (5.30 oz) per head per day to provide 0.6 oz of magnesium and 3 mg of selenium per head per day.

Mixing with Grains for All Types of Ruminating Cattle:

When grazing low magnesium-containing forages, mix 300 lb of Co-op Foundation Hi Mag Cattle Mineral with 1700 lb of ground feed and feed 3 lb per head per day. This level will provide 0.8 oz of magnesium per head per day. Be sure to provide enough trough space so that all animals can eat at the same time.
