

# Purina Mills® Layena® SunFresh™ Recipe 61K6

## How and When to Feed:

1. Feed Purina Mills® Layena® SunFresh™ Recipe free-choice as the sole ration to free-range and confined laying chickens (including backyard egg producers, small to medium breeds and fancy and exotic breeds) after 18 weeks of age and throughout the laying cycle.
2. Purina Mills® Layena® SunFresh™ Recipe is best fed one month before hens begin to lay, but not any earlier than 18 weeks of age.
3. Purina Mills® Layena SunFresh™ Recipe can be fed to both adult male and female chickens, ducks, geese and turkeys.
4. Always provide shelter and a constant supply of fresh, clean water.
5. Consumption will vary depending upon season of the year, nutritional needs of the animals and availability of other foods.

## Important:

A feeding program is only as effective as the management practices. Actual results can vary depending upon feed intake, environmental conditions and the quality of management practices.

## Caution:

Store in a dry, well-ventilated area free from rodents and insects. Never use moldy or insect-infested feed.
