PRECAUTIONARY STATEMENTS**Hazards to Humans & Domestic Animals**

WARNING: Causes substantial but temporary eye irritation. Causes skin irritation. Harmful if inhaled, swallowed or absorbed through the skin. Do not get in eyes, on skin or on clothing. Avoid breathing spray mist. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash clothing before reuse. Wear goggles or face shield, coveralls over a short-sleeve shirt and pants, and rubber gloves when mixing and applying this product. **Note to User:** This product may produce temporary allergic side effects characterized by redness of the eyes, mild bronchial irritation and redness or rash in exposed skin areas. Persons having an allergic reaction should contact a physician.

First Aid: Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 800-420-9347 for emergency medical treatment information. **If in Eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. **If on Skin or Clothing:** Take off contaminated clothing. Immediately rinse skin with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. **If Inhaled:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice. **If Swallowed:** Immediately call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

See attached booklet for complete Environmental Hazards. If you have a medical emergency, need consultation on diagnosis, therapy and analysis call 800-420-9347.

If you have questions relating to product use or application, please call 866-945-5033.

If you have a product spill or transportation emergency call 800-424-9300.

NOTICE: This product contains chlorothalonil, a chemical known to the State of California to cause cancer in laboratory animals.
